

# OneStream Live Affiliate Resource Hub:

## Social Media Copies

Welcome to your go-to collection of social media posts to promote OneStream Live. Use these ready-to-publish captions to drive traffic through your affiliate link, educate your audience, and boost conversions.

### Affiliate Link Reminder

👉 Replace **[affiliate link]** with your unique OneStream Live affiliate link

---

### 1. Stream to 45+ Platforms at Once

Why settle for just one platform when you could be LIVE on 45+ platforms simultaneously?

Imagine broadcasting across Facebook, YouTube, LinkedIn, Twitter, TikTok, and more—all in real time.

It's simple, powerful, and cloud-based.

- ✓ Stream live in real-time using Live Studio
- ✓ Schedule pre-recorded videos to go live automatically
- ✓ Stream seamlessly from Zoom, OBS, Ecamm, and more

Stop limiting your reach—Get started for as low as \$12/mo: [\[affiliate link\]](#)

---

## 2. Effortless Guest Interviews

Ever wanted to host live interviews without the technical hassle?

With OneStream Live, inviting guests is effortless—just send a link, and they're in.  
No downloads. No stress.

Plus, I get to fully brand my show with overlays, logos, and custom backgrounds.  
Curious? See how easy it is—Get started for as low as \$12/mo → [affiliate link]

## 3. Unified Live Chat Across All Platforms

Live streaming is about more than just talking. It's about real connections.

OneStream Live's Unified Live Chat lets me engage with viewers across multiple platforms, all in one place.

No more losing track of conversations between tabs.

Stay present. Engage deeper.

Ready to boost your audience interaction? Get started for as low as \$12/mo [affiliate link]

## 4. Stay on Script with Built-In Teleprompter

Feel nervous about what to say on live video?

OneStream Live's built-in teleprompter ensures I stay on track—without the stress.

Whether I'm teaching, selling, or storytelling, my script is always right there on screen.

No more forgetting lines. Get started for as low as \$12/mo: [affiliate link]

## 5. For High-Stakes Events: Enterprise Plan

Hosting a high-stakes virtual event? It can't afford to fail.

OneStream Live's **Enterprise Plan** is built for organizations and large-scale events that demand professional quality.

Here's what you get:

- ✓ Multistream to 50 platforms
- ✓ Stream for up to 20 hours per session
- ✓ Host up to 16 studio guests
- ✓ Multi-camera support
- ✓ Teleprompter included
- ✓ 2 concurrent 24/7 YouTube streams
- ✓ Dedicated enterprise support

Try it now: Get started for as low as \$12/mo [affiliate link]

## 6. Stream While You Sleep

Too busy to go live? You can still show up—even when you're not live.

With OneStream Live, I can schedule an entire playlist of videos to stream back-to-back, making it look like I'm live.

Perfect for replays, promotions, or simply keeping your audience engaged while you're away.

Stay active, effortlessly. Get started for as low as \$12/mo [affiliate link]

## 7. Use Your Favorite Tools with RTMP Streaming

---

Need help, contact us at: [partners@onestream.live](mailto:partners@onestream.live)

Made with ♥ by OneStream Live

Want to stream from Zoom, OBS, or any RTMP-compatible app to 45+ platforms?

With OneStream Live's RTMP source streaming, I can broadcast to Facebook, YouTube, LinkedIn, TikTok, and more—simultaneously.

Stream everywhere, effortlessly, and maximize your reach.

Ready to expand your audience? Get started for as low as \$12/mo → [affiliate link]

## 8. Simulated Live Streaming

What if you could show up live, without actually being live?

With OneStream Live, live stream pre-recorded videos anytime, anywhere. Perfect for webinars, tutorials, or staying top of mind while you're offline.

Don't miss out—Get started for as low as \$12/mo → [affiliate link]

## 9. Brand Like a Pro

Your live stream is your stage—make it look professional.

OneStream Live gives me the tools to elevate my broadcast:

- ✓ Add logos, brand colors, and custom backgrounds
- ✓ Use banners and tickers
- ✓ Integrate intros, outros, overlays
- ✓ Choose from polished layouts

Want your broadcast to stand out? Get started for as low as \$12/mo → [affiliate link]

## 10. Embed Live Streams on Your Website
